

I give permission for my Classroom Partner to contact me via e-mail

I am interested in being a Classroom Partner

Classroom Partners give out information about:

- field trips (helping the teacher to organize volunteers and drivers),
- locating supplies for specific classroom projects, as requested by the teacher,
- promoting events, e.g., movie nights, Winterfest,
- coordinating classroom fundraisers for teacher gifts, and
- getting parents together!

Most communication is via email and can easily fit with any schedule.

You can contact us at frankhobbs.pac@vcpac.ca if you have any questions or are interested in receiving more information before you sign up.
