When you register your swimmer in the PCS School Program we submit registration information provided above to SNC, the national governing body for swimming. If your

swimmer is already registered in a Swim BC affiliated club, your swimmer will retain that registration, which takes priority over the school registration.

When your swimmer(s) enter a competition, swimmer name and results may be posted at swim meet locations or on our web site. Please contact us if you have questions about our privacy policy, and see our web site. SNC's Privacy Policy is available on their web site (<http://swimming.ca/>). Please note that Swimming Canada requires all swimmers to sign a privacy consent form (page following). Refusal to do so may result in your swimmer/s ineligibility to participate in PCS's FAST Program.
